

FINDING SCHOLARLY ARTICLES IN SPECIALIZED DATABASES: WORKSHEET

1. Pick a specialized subject database:
 - a. Go to library.wlu.ca
 - b. Under the Services menu, choose Subject Guides, then choose Political Science
 - c. Choose Political Science @ Proquest
2. Find 2 articles by typing in: media federal elections Canada. Put each concept on a separate row.
3. Find 2 scholarly (or peer-reviewed) articles on this topic.
4. Check the box next to the title of your 2 articles.
5. Locate a summary (or abstract) of your articles.
6. Locate the pdf of one of your articles.
7. Using subjects, limit your results to include only the articles on Media coverage. How many articles are there now?
8. Limit to articles after 2011. How many articles are there now?
9. Click on '2 selected items' at the top of your results. The articles with the checked boxes will appear here. E-mail yourself the articles.
