

FINDING SCHOLARLY ARTICLES IN PRIMO: WORKSHEET

1. Use the Primo Library catalogue search box in the middle of the Library main page (library.wlu.ca). Find 2 articles by typing in: media federal elections Canada
2. Find 2 scholarly (or peer-reviewed) articles on the media and federal elections in Canada.
3. Check the box next to the title of your 2 articles.
4. Locate a summary (or abstract) of your articles.
5. Locate the pdf of one of your articles.
6. Using subjects, limit your results to include only articles on Media coverage. How many articles are there now?
7. Limit to articles after 2011. How many articles are there now?
8. Click on e-Shelf at the very top of your results page. The articles with the checked boxes will appear here. E-mail yourself the articles.
