Research Access Request

Please use this form to request access to closed university records held in the Laurier Archives. University records may be subject to the Freedom of Information and Protection of Privacy Act (FIPPA). This is not a formal access request as defined by FIPPA. By submitting this informal research request, the patron agrees to forgo certain rights granted under FIPPA. However, nothing in this informal research request process precludes a patron from exercising these rights at a later date.
